

TEMPORARY REPAIR REGISTER

AFME-BRC-ENG-F02

Controlled register for exceptional, time-limited engineering repairs pending permanent corrective work.

Site / Company	[Enter site/company]	Date	[dd/mm/yyyy]
Department	Engineering	Completed by	[Name / role]
Area / Asset	[Enter]	Reference / WO	[Enter]

Temporary repairs must not compromise product safety or legality. Each requires risk assessment, ownership, review and a permanent repair date.
